Yurizan

Can you believe it's a whole year since Yurizan's last visit? What the Hell were we thinking? To allow 12 months to whizz by without even a six month catch-up is inexcusable. That's probably why, when Yurizan stood before us in all her lacy finery, the Ed. disappeared into the loo, muttering something about beating himself. Quite right, too. He ought to. You can't contain a wild, sexual beast like Yurizan for a year without some sort of consequence. We're just pleased she agreed to come back and share her frankly epic curves with us again. So what's the past year been like? "Busy! I've just done a movie for Digital Playground called *Cock Tease 2*, where I strip and play with myself while guys get off. It was awesome fun!" Any plans to let someone slip between your pillows on film? "Never say never, but at the moment, I'm happy playing with myself!" **JG**

Melinda

THRILL OF THE CHASE!

Melinda here took a bit more to denude than usual – but we got there in the end!

You know what it's like, when you first catch sight of a girl who really turns your head and you think to yourself, 'Mmm, I bet she looks fantastic naked!?' Well that's exactly what happened to us when we first clapped eyes on Melinda here, and despite the way things usually work out in this business, it actually took us quite a long time to find out.

You see when we first saw her, she wasn't working as a model at all – she was doing the make-up for someone else, so despite our overarching desire to see her in the nip, fingering her flange, we had to make do with a bit of polite conversation. The fact that there was another girl there, rubbing herself for our delectation only seemed to make matters worse, somehow!

Still, by the end of the day we'd dropped a few hints, asking Mel if she'd ever considered modelling herself, and suggesting that if she gave it a go we'd be delighted to shoot her for *Just Girls*, and what do you know – a couple of days later she called us up and said she was up for it!

So here we are, gazing at that wondrously inviting snatch and knowing that all our work has had its just rewards. Now all we need to do is try to establish how suggestible she might be to some other propositions... **JG**

**Lela &
Celeste**

Blondes have more fun! No, brunettes have more fun! No blondes! No brunettes! Well, which side of the fence do you sit on? You've probably been fooled by the myth that it's blondes that have all the good times, suggesting that brunettes get left behind.

But feast your eyes on Lela and Celeste's little no-blondes-allowed party and then tell us who you think really has the most fun.

Truth is, it doesn't matter what colour their hair is, when you've got two red hot babes in front of you and they're busy eating each other out, it's you that's having a ball! **JG**

Tina

Sometimes you meet people, and for whatever reason their name just doesn't seem to fit their face. Some people, like Whoopi Goldberg for example, seem very well suited to their given moniker. Could Arnold Scharzenegger or Jean Claude Van Damme possibly have been called anything else? But some people just don't suit their name. Jude Law looks more like a Nigel to me, and surely Barack Obama should be called Pete. And so we come to the delectable Tina. Surely, such a gorgeous, pretty raven-haired beauty should have a far more exotic, sultry-sounding name. Something like Alexis, Giselle or Monique. There's something about the name Tina that just makes you think of some fat scruffy bird on a council estate, drinking special brew, chugging on a tab and eyeing up the local male talent for the likeliest candidate to give her a kid and a council flat (apologies, of course, to anybody actually called Tina). Somehow it just doesn't fit our lovely lass. We told her what we thought, and happily she admitted that Tina is just her modelling name. So what's her real name then? Sharon, apparently. We give up... **JG**

Kagney

Kagney. Yes, it's her real name. The blonde bombshell has made serious waves in the US porn industry, hence her appearance in our fine organ. With her movie career really kicking off last year, Kagney has just starred in the latest adult spoof of a TV show: *Not Married With Children XXX*, filmed by our old mate, Will Ryder. Who did she play? Why, the porno version of Kelly Bundy, of course! The pneumatic blonde is no stranger to being manhandled by men with large prongs, that's for sure. With over 20 titles under her thong, she's clearly an up and comer in the porn scene, although by far our favourite movie moment is a video of her sky-diving in the nuddy. If you can track it down online, do. I had no idea her lady parts would be quite that frantic at 5,000 feet! **JG**

Crystal

DON'T COVER UP!

Crystal's more recognisable naked – so off they come!

A quick flick through our record books tells us that the last time we hooked up with covergirl Crystal was a full year ago! Blimey, doesn't time fly when you're surrounded by naked birds? Anyway, a whole year – and we were eager to find out if her exposure in *Just Girls* had made things at all different for her...

“Oh sure! Especially for the first three months or so. I kept getting double takes from guys when they saw me in the street – like they thought they recognised me, but they weren't sure where from.”

You'd think if you'd spent a bit of time gazing at a girl's snatch you might have the manners to remember her face as well, wouldn't you? Perhaps if Crystal tried walking down the street in the altogether things might be a bit different – what do you reckon? **JG**

RANDY ALEXANDER

Blonde Californian beauty Monique Alexander is still going strong after almost ten years in the industry. But, until now, she's never been interviewed by a man who keeps a live frog in his pocket. Jeff Kydd does the honours...

Have you always wanted to get into the industry or did you just fall into it?

It just kind of happened. I was dancing at a club in Sacramento and an agent came in and saw me and said he could get me into *Hustler* and *Penthouse*.

How did you get involved with Vivid?

A girlfriend of mine told me about LA Direct. I only did girl/girl at the time and most of their girls did boy/girl and pretty hardcore stuff. I met with Derek and his partner. I didn't think they would take me on, but they did. After being in the industry for about three and a half years, I came to the conclusion that I was ready to do boy/girl and I told Derek. After he picked his jaw up off the floor (laughs), he said, okay, I'll get the highest bidder. Vivid heard I was willing to do boy/girl, so Steven Hirsch and Derek and I had a meeting. I went in on a Friday, they set up a photo shoot on Sunday, and by Monday they wanted to sign me.

Did you have sexual experiences with girls before you got into the industry?

I had never been with a girl except for humping my friends' legs. I'd never kissed a girl or gone down on a girl until I was in the industry.

Was it a big adjustment, or not as strange as you thought?

I knew it was something I would like. I've always been interested in girls even when I was younger. I'm definitely bisexual. I love to be with a man, but

I love girls as well. For me, the weird part about it was, I was just nervous and I was worried that the other girl would say: 'Hey, what are you doing? You're not licking my pussy right'.

Do you prefer doing girls or guys now?

When I did girl/girl for as long as I did, I loved it. When I started doing boy/girl, I was like, this is awesome. It's a bit easier because there's more to do when you do boy/girl. With a guy it doesn't get so repetitive. Now that I'm doing more girl/girl again, I'm enjoying it. I haven't done it in a while and it's exciting (Laughs).

Your first boy/girl scene was with Rocco Siffredi in Lexi and Monique Love Rocco. What was it like working with Rocco?

Rocco was amazing. I didn't know who he was prior to working with him, which was probably a plus for me. After all the crazy stories I heard, I thought, whoa. I was a bit terrified in general. But they told Rocco: "It's her first scene, please don't scare her away. Make love to her." It was an amazing scene. He had me all over the place. Upside down, picked me up. It was very aerobic.

You do interracial too?

It's something I do in my personal life. I don't see colour. I like all flavours. My first interracial scene was in the movie *Cry Wolf*, but they held on to it for some time. So the first

interracial scene the public saw was in *Callgirl Confidential*. I think it was the second year of my contract I agreed to do interracial and anal.

Why did you decide to do anal? Is that something you also do in your personal life?

When I was younger, I was like no way in hell would anything ever go in my butt, but as I got older, it became a fantasy of mine and was a turn-on and caught me by surprise. It was something I tried in my personal life and I really enjoyed it. So I decided to do it on film.

What about multiple partners?

Yeah, I like it. I've done it many times. I like boy/boy/girl. Those are fun. I did one in my movie *Monique's Been*

Blackmailed. I did Mr. Marcus and Tyler Knight.

What about five guys, eight, blowbangs?

I think the girls who do that are amazing. For me, it's not something I would want to do myself. I would just become too overwhelmed and freak out. It's not something I plan on ever doing.

Do you like bondage, kinky stuff, spanking?

I like bondage, choking, spanking, slapping. No spitting. Unless you're spitting on my pussy. I used to be a pretty big fetish model prior to being signed to Vivid, being tied up and gagged and things of that sort. I definitely like fetishy stuff like that.

Do you masturbate?

When I have dry spells, I probably masturbate a couple of times a day. When I'm getting a lot of sex, not as much.

Do you use toys?

For the most part I just use my fingers. Sometimes I'll bust out a pocket rocket. The only time I'll really use a toy is maybe in a scene or if I'm doing a solo masturbation.

What about oral sex? Do you like giving or getting better?

I like both. I love giving oral sex. Blow-jobs. I love receiving it. I'm a giver and a taker.

Do you like facials or swallowing?

Swallowing I save for my personal life, somebody I'm intimate with. But facials... on my boobs... I don't mind at all.

What is your favourite sexual position?

Doggie is my favourite. It hits a completely different spot in me. I absolutely love it.

Is there anything you haven't done that you would like to do?

I don't know. That's a great question. There are definitely different directors I would like to work with. I'd like to work with one who pushes me to do something, but not in a way that would piss me off.

Do you have any fantasies you would like to live out or have lived out?

You know, in porn you pretty much do everything. A fantasy of mine is something I've never done in my personal life – have sex on the beach. I know that sounds ridiculously cheesy, but I just think it would be hot. I don't care if there are people around.

Do you prefer a nice hard cock or a mouthful of pussy?

Can I have both? I prefer a cock over a pussy. A girl is like a fluffer to me. After I'm done with the girl, I'm all hot and bothered and I need the cock to bring it home.

Have you ever refused to do anything in a scene, and if so, why?

When I first started with Vivid, Paul Thomas tried to get me to do two guys at once in somebody else's movie, and I refused because

you can't give it all
—away for free at the beginning.

Have you ever been fucked so hard you thought you'd broken your pussy?

I've broken my pussy many times. I've actually had it swell up. The lips swell. I've had times when I didn't think it was going to work again. It's literally swollen closed. Technically, it's broken for however long it takes to heal.

How long does it take?

It hasn't happened to me in quite some time, thank goodness. I know it's a couple of days. It's really uncomfortable.

Which do you prefer, one up the ass or two in

your mouth?

Two in the mouth seems like a lot and I have a big mouth. It doesn't seem like it would be as enjoyable as up the butt.

Have you ever put your finger inside a guy's ass?

I have. And he liked it. He asked me to do it, so I was like, okay.

Did you like it or did you just go along with it?

I went along with it. It kind of weirded me out. I don't know how I feel about it. I looked at him kind of weird. I thought, what else have you had in your butt?

What would you do if you caught us hiding under your bed?

I would scream and kick you in the balls. That is terrifying. That is my biggest fear, to come home and have some creep hiding behind my door or in my closet.

Would you rather fuck a fat guy or an ugly guy?

How fat? How ugly?
I have to work with somebody I'm attracted to. There has to be some chemistry. I like funny people and fat people are funny, so I'd choose a fat guy.

If you had 24 hours as a man, what would you do?

Everything. I would put my dick in every hole it would go into. I would jerk off as much as possible. I would pee standing up. That would be awesome.

What's the largest number of fingers you've had inside you at once?

Four. It was back in the days when I did girl/girl.

Do you enjoy the feel of a scrotum slapping against your chin in the morning?

(Laughs) No, but I like the feel of a hard cock in between my butt cheeks when I'm being cuddled. I love that feeling.

Have you ever given anyone a mercy fuck?

I definitely have had sex when I didn't want to. Not as a mercy fuck or I felt sorry for them, but to get them to shut up. (Laughs)

If you could change one thing about yourself, what would it be?

Be taller, or have beautiful, beautiful green eyes. **JG**

A blonde woman with her hair in a bun, wearing a pink sequined bikini top, is leaning against a tiled wall in a shower. She is looking back over her shoulder at the camera. The wall is covered in small, multi-colored mosaic tiles. A blue rectangular box is in the top right corner, and a blue circular logo is in the bottom left corner.

Michelle

Admit it, at some point in your life, while you've been taking a shower, you've fantasised about what it would be like to be sharing that very same shower with our Michelle, haven't you? Well, wonder no more, because this is exactly what it would be like! "Getting laid in the shower is one of the great pleasures in life that costs absolutely nothing!" laughed our sweet maiden. "And it's never better when you're in there, washing away, and your boyfriend suddenly gets in with you, all hard and ready for some naughty fun!" Don't suppose you need any spare boyfriends right now, do you? **JG**

Jayda

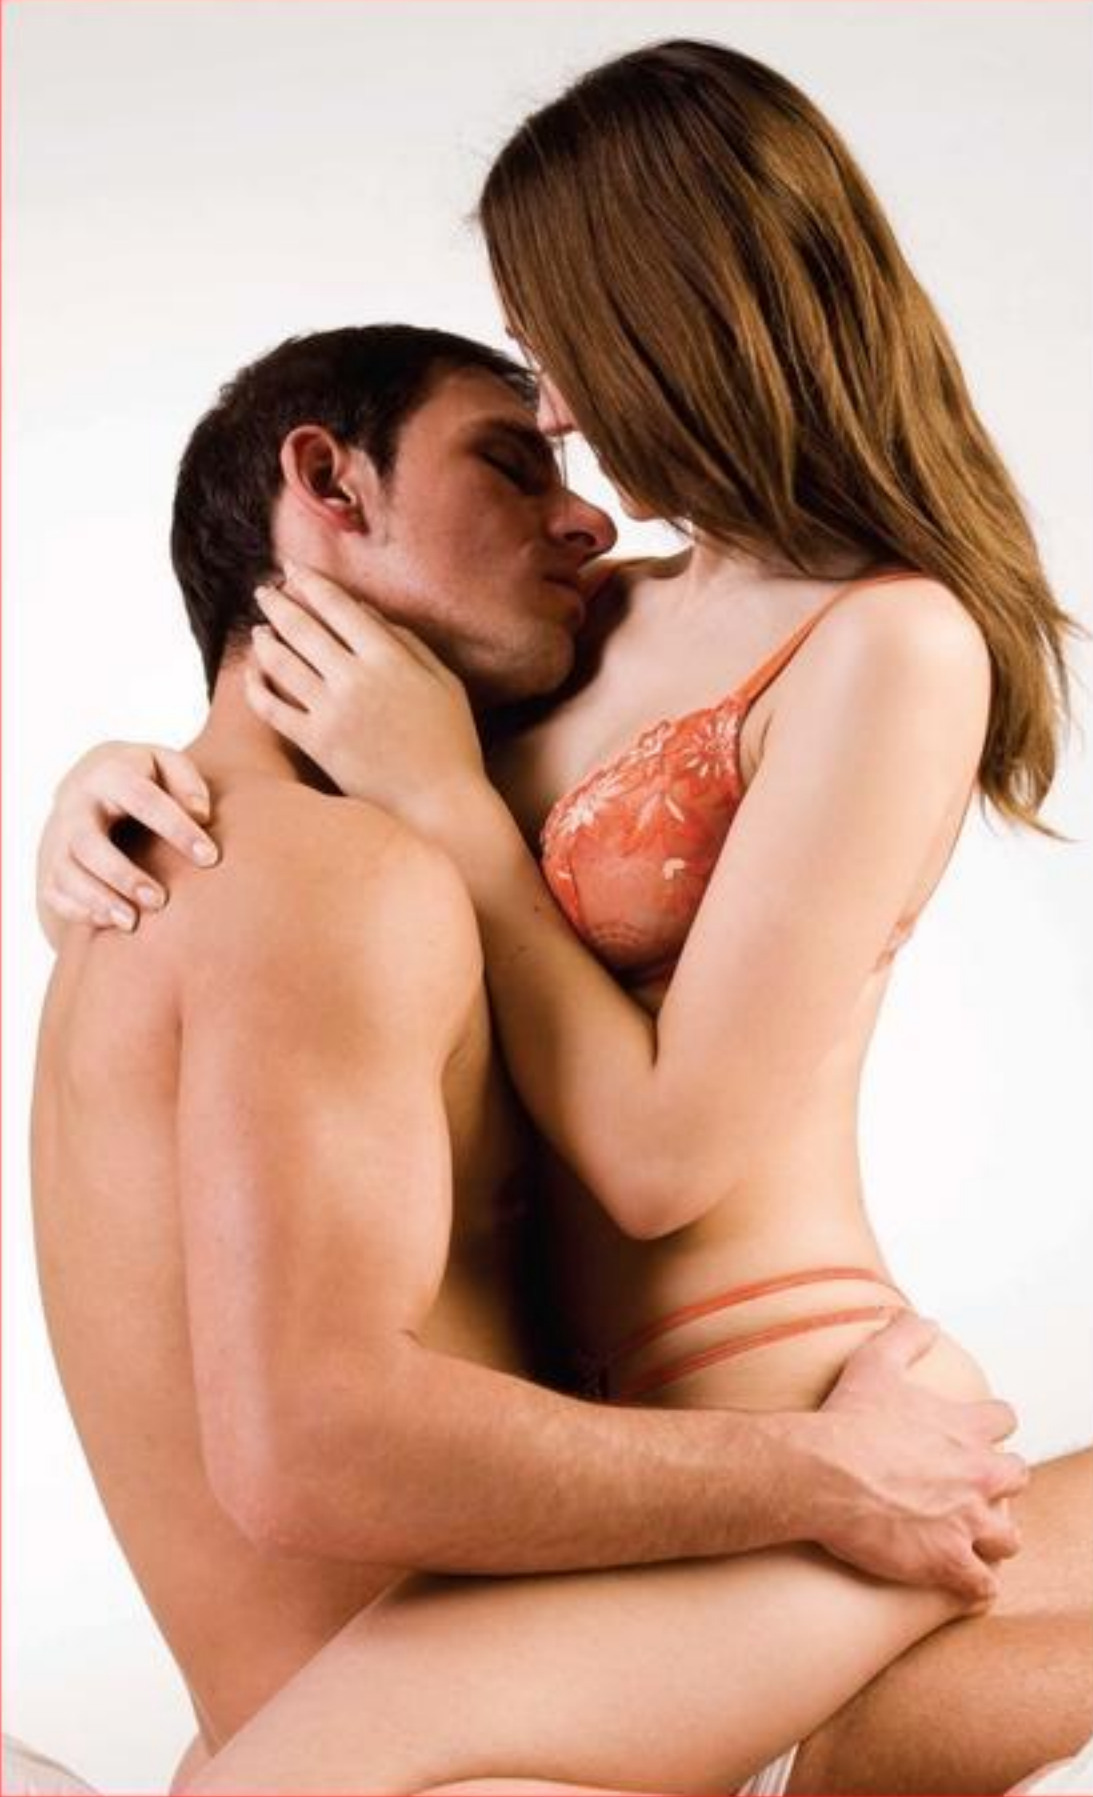

We're always excited when a sexy Afro-Caribbean babe agrees to show us her mimsy, if only because we see so few of them. It's a damn shame, because we think you lot would be more than happy with a few more like Jayda in *Just Girls*. I know we would! We don't really know why we don't see as many ethnic girls as we'd like, so if you know a stunning ethnic hottie, for the love of Moses, get her to contact us. Particularly if she has the morals of a weasel (address those letters to the Editor). We joke, we joke. Our girls are all as pure as the driven snow. The naked, driven snow with its legs wide open. Talking of which, Jayda's pussy piercing was the subject of much interest during the shoot, with several staff members leaning in for a very close look, debating whether it was a real diamond or a pubic zirconia... **JG**

A woman with long brown hair, smiling, is holding a large, shiny, metallic hula hoop. She is wearing a pink two-piece bikini. She is standing in front of a swimming pool with a colorful striped towel on the ground. The background features lush green foliage and a rocky edge of the pool.

Erica

SHE'S COCK-A-HOOP!

Reckon you could keep it up for as long as Erica?

Everyone here at *Just Girls* is a bit too young to remember the craze for hoola-hoops. It all seems a bit quaint now, doesn't it – the world going crazy for plastic rings and girls seeing how long they could swivel them round their waist before they fell down? Still, thanks to Erica here we're starting to see the appeal of the whole thing – especially if the girl happens to be naked and dripping lady-juices down her thigh as she swings her hips around frantically trying to keep the thing up!

And to be fair to the girl, she's quite good at it too – she managed about 30 seconds before things started to slip, which was pretty good going given that she was covered in oil. And anyway, whenever it fell down we were treated to the sight of her bending over to pick it up, with those gorgeous long legs pushing her bum up as she did so. Well that's got to be better than a bloody yo-yo, hasn't it? **JG**

Robyn

I see it as my duty to shatter a few misconceptions that you may have unreasonably been led to have about this shoot. Firstly, Robyn is not American. She is in fact from Manchester, in the good old North West of England. Secondly, the blonde bombshell isn't, and has never been, a cowgirl. To be honest, I'm not even sure if she can ride a horse. The one here is stuffed. Thirdly, and perhaps most importantly, Ms Truelove doesn't go on to shoot herself in the mouth, as she appears to be shaping up to do in this picture. Actually, she's alive and well and in the process of becoming a famous pornstar both here and across the pond. The gun's not even real for fuck's sake. And finally, Robyn isn't really wearing that hat. You see, the top of her skull is so bulbous that standard headgear simply won't fit on it. Shocking, but true. So now you know; things in porn are not always as they appear. Don't believe everything you see. Or read, for that matter... **JG**

Jodie

"Can you tell I'm not a natural blonde?" asked Jodie. Which stumped us for a bit because we were having a good, long, close look at her pussy and there was no way we could tell what her natural hair colour was.

"No," she says, "look at my face!"

And then it dawned on us, if you want to know what a girl's natural hair colour is, you're not always going to know by looking inside her panties. Well, we say it dawned on us, but it took us a few minutes because when you've got your face between this girl's thighs and you're looking right up into those eyes of hers it's very hard to think about hair colour! **JG**
